In 2013, more than

**89,700**

Santa Clara County residents  
claimed the Federal EITC.

Approximately

**\$181.9 million**

went directly toward our local  
communities.

Nearly

**19,000**

residents of Santa Clara  
County will now be eligible for  
the new State EITC this year.

Together, let's bring home every  
dollar that our community needs!

Households with 2 children making \$7,000 will likely increase  
their income by 1/3 with the state EITC. Their income could  
also increase by 75% by claiming the federal & state EITC.
